Subject Sale of Verizon to The Carlyle Group

As a concerned citizen and native of Hawaii I strongly advise against the sale of Verizon to The Carlyle Group.

The Carlyle Group has a history of controversial and questionable business practices throughout the world. They are also heavily

Involved in the Military Industrial Complex that seems to be able to dictate world policy. Please preserve what freedoms we have left by not allowing this sale to go through no matter what they promise. I'm am sure through your research about The Carlyle Group you are aware of the financial ties of the Bush and Binladen families. This far reaching corporation has a cloud of dishonesty surrounding them.

Do your part as honorable Civil Servants committed to looking out for the welfare of the people of Hawaii and DO NOT Permit this sale!!!!!!!

Let Your Conscience Be Your Guide.

Aloha!
